DIRECT TRAFFIC

DEMAND GENERATION
SOLUTIONS

Attract high-intent visitors straight to your digital platforms.

Through smart audience targeting and multi-channel campaigns, our Direct Traffic product sends qualified professionals straight to your website, landing page, or marketplace ready to engage, and take action.

You receive:

- Precision-targeted audience through our social media channels
- Custom monthly e-print delivered to your ideal demographic profile
- Sponsored content advertisements in *Plastics Technology México's* e-newsletters
- Performance report including impressions, opens and clicks

Your benefits will be:

- Drive qualified, high-intent traffic to your online assets
- Engage with experts in search of innovative answers
- Generate faster visibility, stronger connections, and higher conversions
- Strengthen your reputation as a trusted industry leader

E-PRINTS

Target the right audience to increase trust and brand visibility.

Connect with a targeted audience of *Plastics Technology México's* qualified readers reaching decision-makers, and key operators who rely on our publication for trusted information.

You receive:

- Customizable content
- Detailed performance report including total delivered, open rate and click-through rate
- Personalize your audience selection for maximum impact

Your benefits will be:

- Strengthen brand credibility in the industry
- Lead the conversation on your topic of expertise
- Increase brand visibility with a demographically selected audience, supported by click-through metrics

SELECT YOUR TARGET AUDIENCE

Select your audience based on industry, geography, facility size, job title and/or operations performed.

PLASTICS RECYCLING LATAM® 2026

May 19-20, 2026

Hotel Sheraton María Isabel, Mexico City, Mexico

- Exhibit in one city and get visitors from 9 Latin American countries!
- PRLatam will let you live a deep experience with the event attendees, spending a rich time together, attending the conferences, having lunch together, discussing over a cup of coffee, toasting after a long day of business
- **For the first time! Extrusion Takes the Stage in PRLATAM**

300+
Attendees

30+
Exhibitors

20+
Conferences

We are returning to the hotel format!

According to past surveys, this has been the preferred setup for both attendees and exhibitors, offering high-quality networking opportunities.

In May 2026, we're bringing back the exclusive atmosphere and rich business opportunities that the plastics recycling industry needs.

Testimonial

"We were pleasantly surprised by the audience's turnout and saw that the quality of their knowledge and understanding of what they were looking for was quite high, so we were more than satisfied."

Borja Alonso
Sales Manager of Unidad de Reciclaje de Vecoplan AG.

Our Visionary Founder

Time passes, conditions change, the world progresses – and those who are found keeping pace with the new order of things are those who are young enough in mind and spirit to recognize the value of the new and to make themselves a part of it.
